

Vital Information for Circumcised Plaintiffs

Wanting to File Impact Litigation

Are you a potential plaintiff?

View a 90-min. educational video for circumcision sufferers and others who believe they or a loved one has been harmed by needless circumcision or negligent foreskin treatment by medical professionals.

Attorneys Eric Clopper and David Llewellyn discuss causes of action to seek justice and hold physicians and nurses accountable. They offer perspectives on legal system biases and strategies to advance children's rights of bodily integrity and autonomy.

Llewellyn

Clopper

What You'll Learn

- Anatomy and physiology
- Alleged benefits
- Nonsurgical alternatives
- Risks, harms, damages
